Dear Friend,

Thank you for recognizing the importance of local history. Your support for the Friends of Lindenwald allows us to underwrite many of the events created by the park staff at the Martin Van Buren National Historic Site – providing critical resources that taxpayer dollars cannot. Here are some of the ways we support the home of President Martin Van Buren:

- Advancing the preservation of Lindenwald by working with the National Park Service to acquire artifacts associated with President Van Buren
- Providing monetary scholarships to exceptional local high school students who are interested in the study of history
- Collaborating with the National Park Service by providing support for a local youth leadership development program
- Coordinating with local community groups to bring a variety of public programs to the park
- Sponsoring and promoting a lecture series focusing on President Van Buren's career and life
- Maintaining the Martin Van Buren nature trails and promoting the historic greenway created by the National Park Service linking Martin Van Buren National Historic Site and the Luykas Van Alen House.

We look forward to your continued support of these important initiatives which will help us bring more activities to the park which will focus on the life and times of President Martin Van Buren.

You are cordially invited to attend our annual meeting of the membership on May 14, 2022 at Kozel's Restaurant, 1006 NY-9H, Ghent, NY. At this meeting 5 trustees will be elected to the board for 3-year terms. If you are interested in serving on our board, please contact our nominating committee at: lindenwaldfriends@gmail.com.
