Dear Friend:

As we move into the summer months, we wanted to send a quick note of thanks for your past membership, and a gentle reminder to ask you to renew your support for the Friends of Lindenwald.

Your continued membership is vital to supporting the work of the Martin Van Buren National Historic Site staff as well as our own activities at the Martin Van Buren Nature Trails.

This year, the Friends have helped the staff at the Historic Site by supporting a Farmscape Ecology Project in partnership with the Hawthorne Valley Association. The project's purpose is to study the flora and fauna of the park and document the seasonal changes that have occurred over the years dating back to the mid-1800's. You can find out more about this project and many others at the park by visiting the park's website at <https://friendsoflindenwald.org/membership>.

We have also signed a contract for the repair of the parking area at the MVB Nature Trails and marked hazardous trees for eventual removal from the trails. Your support for these safety and access projects will be greatly appreciated.

Attached is our membership renewal form. It is our hope that you will return it to us with your donation in the enclosed envelope. As an added convenience, you can renew your membership online at our website by visiting <https://friendsoflindenwald.org/membership>.

Thank you for your interest and continued support.
